

Aerospace Leadership Scholarships

“HELPING DREAMS TAKE FLIGHT...”

Since 1997, The Spatz Association and its benefactors have invested in tomorrow’s Aerospace Leaders through the Aerospace Leadership Scholarship program. Each \$2,500 scholarship helps one cadet to “bridge the gap” from solo to private pilot.

This year, The Spatz Association will award at least three scholarships to deserving CAP Cadets. The deadline to submit an application for consideration is **15 October**.

To apply, see our scholarship program page at www.spatz.org.
